Employment Screening and Onboarding from the #1 Ranked Solution Provider

TalentWise offers fast, accurate and affordable employment screening solutions to all members in the Home Building industry. We help companies like yours quickly and cost-effectively implement automated employment and drug screening to shorten turnaround time, lower cost, and reduce the risk of making a bad hiring decision.

With TalentWise, your screening results will be accessible securely online, eliminating paper from your screening process. TalentWise was **ranked #1 in the industry this year and #1 in Customer Satisfaction the last two years** by *HRO Today* magazine, and we have served thousands of satisfied customers who would recommend our service.

TalentWise is fabulous! We appreciate the prompt turnaround and the response time for questions is absolutely awesome! The service is great and we've enjoyed working with TalentWise for our background screening needs.

- Kina K., Koht'aene Enterprises Company, LLC

I have been very pleased with TalentWise. Getting background reports back is always fast and the Customer Service department always responds promptly with quality answers to my questions. I knew TalentWise was the right partner for me because their response was quick, decisive and 100% on point with my background screening needs.

- Jay A., Mid America Painters, Inc.
